Over 1,500,000 women, children and other non-combatants are in the Belgian bread line. Unless America is to let starve those whom she has saved until now, more food must be supplied.

The Connecticut committee of the commission for relief in Belgium has set to work to load a "Connecticut food ship" jointly with the international commission, which has agreed to meet whatever is raised here. Dollars for dollars. All administration expenses are guaranteed; every cent contributed will reach Belgium in the shape of food.

The commission has offered to meet whatever we raise, dollar for dollar.
